

MISIÓN PERMANENTE DE MÉXICO

OGE00739

La Misión Permanente de México ante la Oficina de las Naciones Unidas y otros Organismos Internacionales con sede en Ginebra saluda muy atentamente al Secretariado del Convenio de Basilea sobre el Control de los Movimientos Transfronterizos de los Desechos Peligrosos y su Eliminación y tiene el honor de hacer referencia a la decisión BC-13/22: *De la ciencia a la acción*, en la que se invita a las Partes y a otros interesados a que presenten observaciones sobre la nueva hoja de ruta revisada.

Al respecto, la Misión Permanente tiene el honor de transmitir los siguientes comentarios de la Secretaría de Medio Ambiente y Recursos Naturales (SEMARNAT):

*Se sugiere adicionar los siguientes párrafos al citado documento:*

*Table 1: Elements of the draft road map*

*Line 1. Accessibility to scientific and technical information relevant to the conventions in developing countries and countries with economies in transition*

*Third column (from left to right) Activities*

*(iv) Promote the strengthening of national legal and regulatory frameworks to establish reporting mechanisms that enable decision makers to have the basic information to adopt appropriate measures for chemicals and wasted management, such as inventory updating, risk assessment, identification of alternatives to hazardous chemicals, etc.*

*Line 3. National of scientific and technical information relevant to the conventions in developing countries and countries with economies in transition*

*Third column (from left to right) Activities*

*(iv) Take advantage of the benefits that online technologies provide to the train national and subnational government officials in the application of scientific in the management if chemicals and wastes, and the compliance with conventions, as well as to promote the participation of society in the measures that are implemented.*
